**TWO LITTLE BROWN BEARS by Ivyo Eastwick -
Poems collected by Adrian Rumble**

**Two little brown Bears
lived in a wood -
one was bad
the other was good.**

**One went every day
to school -
The other went fishing
In Blackberry Pool.**

**One learned Add-up
and Take away -
The other spent all of
HIS time in play**

**One ate up his
Prunes-and-rice
And always said 'Thank you'
Very nice.**

**The other said:
'PRUNES' o what a bore"
And emptied his plate
on the kitchen floor**

**One helped his mother
when school was done -
the other chased little boys
just for fun.**

**If YOU were little bear
living in a wood
Would you be bad?
Or would you be good?**
